Pierce County EMS Committee Meeting Minutes  
December 9, 2010

Members present were Tod Jorgenson, Melanie Jorgenson, Nancy Kinsman, Bill Brookshaw, Gary Brown, Jim Rundquist, Tim Hanson.

Meeting was called to order at 7:10pm by Melanie Jorgenson.

Motion to approve minutes was made by Bill Brookshaw, second by Tod Jorgenson. Motion passed.

Financial Report was given by Gary Brown, amount remaining at \$525.00. Restocking of supplies for the fair was again discussed. Motion was made by Tim Hanson and second by Tod Jorgenson to purchase 500 cups and ID cards. Motion passed.

We are okay with our spot for the EMS booth at the fair. The cost is \$275.00.

Pierce County is working on the new CAD system. They are doing their best to get this up and running smoothly.

A new EMT Basic class is starting in Menomonie on January 17, 2010 and will be taught by CVTC. Would be interesting to know how many people started and passed the class in River Falls. Three people are interested in taking the class from Pepin. We discussed how to get people interested in taking the class and becoming active EMT's.

Billing is done by Life Quest and each service is to negotiate their own billing with them. River Falls and Ellsworth have the 911 Pro system. Spring Valley, Plum City and Elmwood still have to negotiate.

Next meeting on February 10, 2011 at 7pm.

Motion to adjourn the meeting was made by Tim Hanson and second by Gary Brown at 7:54pm.

Submitted by Nancy Kinsman

Call meeting to order at 1910

Motion to approve previous meeting minutes Jim Ross made motion second by Bill Brookshaw motion carried.

No treasure report this time

Spring Valley has changes for the resource book Mel will get those to Gary Brown.

Landing Zones- Try to make connection with Jeff Rixman to give him your services preset zones.

Still waiting to hear from state on review on shooting drill.

directions from dispatch are going well.

Highway 65 and Cemetary road will be done before Farm Tech Days. Highway 29 will be shut down in some areas during Tech Days.

Bill Brookshaw went to the honors guard meeting and they are hoping to get one person from each service to be sponsored they are hoping to get 18 people to do this service.

NEW BUSINESS

Jim Ross said that the dispatchers also work as jailors, dispatchers appreciate all the services patience with them. hoping to hire people to be just jailors.

Pager tests are much better if dispatch is busy they might miss a night or two.

State Patrol has offered to come help with Farm Tech Days, a big thank you to them for helping.

New Response Vehicle alot of people involved in design. very happy with how it is going.

Inside there is room for 4 dispatchers can look at it at the next meeting if you would like. Rhino boat was also purchased it will glide across ice to rescue patients. Going to Texas in April to pick it up.

Sue Zubay wants to be here for the April Meeting, she sent protocols to Mel, she will be open to questions.

OPEN DISCUSSION

33 volunteers have signed up for the Farm Tech Days, River Falls is going to get a couple more ambulances for this event.

Discussion about refreshers once a quarter versus all at one time.

FEB 10
